## Binding | Desktop and Office Systems

### Docubind P200 and P400

Desktop/Office plastic comb punch & bind

This range incorporates the new vertical punch throat to give precise alignment of the document and has a "unique" radial bind head, allowing smoother, easier and faster operation.

- **Punching capacity** 15 to 20 sheets
- **Plastic binding capacity** 450 pages

P200 offers manual punch & close.

**\$ 545.00**

P400 is an electric punch & manual close.

**\$ 1445.00**

### Docubind TL200 and TL400

Desktop/Office twin loop wire punch & bind

System features our new exclusive wire holder design that enables you to assemble your document as you punch, making it easier to load paper onto the binding element than with previous systems.

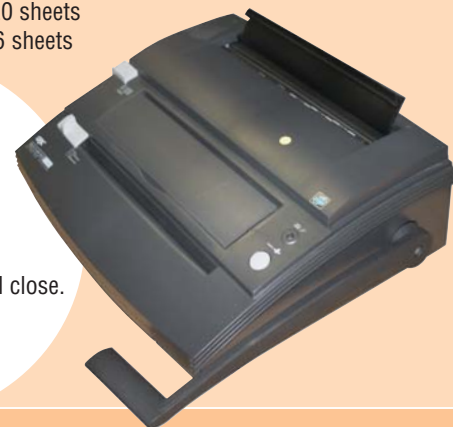

- **Punching capacity** 15 to 20 sheets
- **Wire binding capacity** 126 sheets

TL200 manual punch & close.

**\$ 885.00**

TL400 electric punch & manual close.

**\$ 1875.00**

### GBC CombBind C800 Pro Electric

High-end electric binding machine for large businesses.

- **Punching capacity** 20 sheets (80gsm)
- **Plastic Binding Capacity** 450 sheets (80gsm)
- Powerful electric punching capacity, all metal construction for heavy duty use
- Foot pedal punch frees hands for binding

**\$ 1785.00**

### GBC ClickBind 15

Easily edit bound documents with ClickBind spines.

- **Punching capacity** 15 sheets (80gsm)
- **Plastic Binding Capacity** 95 sheets (80gsm)
- Simultaneous punch & bind with Click spine support

**\$ 475.00**

### High Capacity Punch & Bind System

#### MP2500iX Interchangeable die punching system

The versatile GBC MP2500iX is designed for offices needing high volume punching with ease of use. Simply slide the die sets in place, no tools or locking levers are required.

- Other dies available.
- Switch or foot pedal operation

**Punching capacity**

- plastic comb 25 sheets
- twin loop wire 20-22 sheets

#### PB2600 Modular series plastic comb closer

PB2600, electric comb closer is very easy to operate with either the dual foot pedal or table-top button to activate the binding process.

#### TL2900 Modular series wire closer

Designed to close wire hassle-free makes TL2900 the wire binder of choice.

Twin Loop bound documents lie completely flat when opened and pages wrap all way around for easy handling.
