

Precise – Versatile – Robust

For bookbinders, printers, banks, insurance companies, local councils, industry, etc.

With STAGO stapling machines, functionality, precision and ease of use are paramount. Robust construction, state-of-the-art drives and low-wear materials ensure perfect operation for many years to come. All STAGO machines are certified for safety by the Technical Committee for print and paperconverting.

Further advantages:  
Electrically monitored protection mechanisms with optical indicator and stop function, easy front loading of staples, magazine indicator.
