

Precise – Versatile – Robust

For bookbinders, printers, banks, insurance companies, local councils, industry, etc.

With STAGO stapling machines, functionality, precision and ease of use are paramount. Robust construction, state-of-the-art drives and low-wear materials ensure perfect operation for many years to come. All STAGO machines are certified for safety by the Technical Committee for print and paperconverting.

Further advantages:
Electrically monitored protection mechanisms with optical indicator and stop function, easy front loading of staples, magazine indicator.

Automatic stapling machine for normal and loop staples. Flat stapling performance of 2 to 60 sheets (0.2–6 mm).

Options:

- 1 or 2 stapling heads
- Bench or stand version
- Table can be changed over from flat to saddle stapling

Specification

Model	HM 6
No. of stapling heads	1 or 2
Distance adjustable	fixed 80 mm
Flat stapling*	2-60 sheets 0.2-6 mm
Saddle stapling*	2-40 sheets
Paper sizes	Up to A3
Table for flat stapling	Yes
Table for saddle stapling	Yes
Flat stapling by clinch	-
Depth	220mm
Staples	24/6-10, 26/6-10
Loop staples	R24/6-8, R26/6
Loads of magazine	400/420 pcs.
Staples boxed per	5000
Power supply	230 V/50 Hz
Drive output	magnetic
Machine dimensions (h/w/d)	200/100/400mm 450/620/400 mm
Weight	10-19 kg
Certified by	GS/CE
Options	stand version, sliding table, further models and special designs on request

* (stapling performance with 80 g/m2 paper) - Subject to technical alteration
